

	<p>Max always wants to kiss by Martin Baltscheit übersetzt von Jan M. Bruder</p>
	<p>Max has everything. He is big. He is strong. He is handsome.</p>
	<p>But Max wants more. Max wants to kiss. Everyone.</p>
	<p>For example, this butterfly.</p>
	<p>Or this fish.</p>
	<p>Or this bird.</p>
	<p>Max loves all the animals.</p>
	<p>Elephants.</p>
	<p>Crocodiles.</p>
	<p>Max likes to hug, too.</p>
	<p>He strokes them ...</p>

	<p>And rocks them to sleep.</p>
	<p>Sometimes he just gives a friendly pat on the shoulder.</p>
	<p>But most of all, he loves to kiss. All day long.</p>
	<p>Half the night.</p>
	<p>But then one day, everyone was gone.</p>
	<p>"Well, doesn't anyone want to kiss anymore?!"</p>
	<p>"Well, did you ask?"</p>
	<p>?!</p>
	<p>Max had never seen an animal like this before. He takes a closer look.</p>
	<p>"And? Would you like to?"</p>
	<p>Max has everything. He is big. He is strong. He is handsome. He doesn't need anything more.</p>
